Occidentals Take First Game 10 to 4, and Second Battle 13 to 6.

"BILLY" FORTIER'S BOYS DEFEAT OGDEN, 7 TO 5

By Victory Murray Lads Go to Top of the Percentage Column.

Yesterday's Results. Oxies, 10; Salt Lake, 4, first game Oxies, 13; Salt Lake, 6, second Murray, 7; Ogden, 5.

While the Oxies were taking both games of a double-header from Salt Lake on Walkers field Sunday afternoon Murray was tronneing "Dad" Gimin's men at Ogden, thereby forging to the top of the percentage column in the place of the Junction City hoys. The first game here went to the Oxies by a count of 19 to 4 and the second by a taily c' 12 to 5 Marray defeated Ogden, 7 to 5 Margott's men were weakened by the loss of 'Dad 'Clark, who joined Ogden Sunday morning, but they held the O' until the seventh neriod. In this session five Occidentais made the circuit of the bases and from then on it was only question as to the size of the score in favor of the colored boys.

With the score 3 to 1 in favor of Margett's men at the end of the second Inning of the last battle, Salt Lake rooters began to have visions of a victory, but the negroes annexed three counts in the fourth and were never headed after that. They counted twice in the fifth and sixth ressions each three times if the seventh and once in the cighth. Margett's men aunexed one in the cighth and two in the ninth.

"Red Taylor, the coast negro indicator hundler, worked in both games and saye complete suisfaction. Taylor got as close as possible to all plays, and wont through the double header without having a decision questioned by the players. He plagment on strikes and balls was exceptionally good.

Homers by Langford, Kyle and Robinson for the negroes, and the fielding of Forbes for Salt Lake were features of the afternoon's sport. Among the fans was a good sprinkling of visiting horse-med.

First Game in Detail.

Dick Little was on the slab for Salt Lake in the opener, and worked well until the seventh period. Opposing him was White from Cherenne, Black's new

hurler.

In the first spasm McAdoo, for the Occidentals, tore off a triple but died at third, the next three Oxles up going out in order. In the second the Oxles were retired in order, and in the third Little used his head and sent the negroes to the bench scorelors after the bases had been filled. With two gone Langford doubled, Kyle walked and Little purposely gave McAdoo free transpertation to first, and then retired the side by striking out Burns.

the fourth the Oxies counted once two hits and a hit batter, but Salt e forged to the front with two counts to on two bobbles and Wicker's

double.

In the fifth James, pressed into service in right gurden by Margetts, let two Texas leaguers fall to the ground, and Robinson's triple brought across the Oxies, thus given lives. James kept up his offending in the seventh, allowing another easy one to fall safe and muffing White's screamer. These bobbles, with a c-uple of doubles, proved costly letting in five runs. After this Jenson replaced James, but the change came too late to do the Salt Lakers any good.

Second Contest.

Jenson huried the second game for Sait Lake and Black sent Kyle to the slab.
Singles by Scanlou and Little and a double by Sweeney, with a misplay, gave Salt Lake three runs and the lead in the second period of the last contest. The Oxies had counted once in the first and repeated in the third, and in the fourth Scanlou exploded and Margetts dropped one, and these bobbles gave the Oxies three runs and the lead, which they increased and retained.

Langford, first up in the first spasm, rede the first ball pitched to him over the left field fence for a home run, and in the fifth Robinson clouted out a homer, moring Burns ahead of him. In the seventh Kyle rode the pigskin against the carriage gate, sending Langley and Hawkins acroes ahead.

In the seventh Sait Lake scored one when Jenson started out with a double and romped home when Robinson missed Kyle's throw to catch Jenson at second. In the inith Harris singled and Forbes was hit, and both counted on two wild heaves by Kyle.

McGeeban, grabbed by Margetts when "Birb" Irby of the Helena Senators released him, played a good game at third. He also showed speed on the paths.

Men 7 to 5.

Special to The Tribune.

GGDEN, June 4.—Bunched hits and an an overabundance of mistakes by "Dad" Gimlin's men gave Murray a victory over the locals here, this afternoon and incidentally nosed the railroaders from top place in the percentage column. It was a highly sensational exhibition which was in doubt all the way, but finally went to the visitors by a 7.5 count.

A trio of hits in the second and fifth innings each gave Murray a total of three runs, and the smelter boys increased this to five in their haif of the seventh. With sale assistance from the grand stand Gimlin's men unbottled one of their characteristic late-inning railies in the second half of the seventh.

Four clean swats primarily were the cause of Murray a trouble, but a couple of boots helped matters. Before it was all over Price, who had pitched consistent hall up to this inning, was reliaved and Harrison seni to the rescue, four having come over, tieing the count. Harrison had pitched one ball when Murphy was nabled stealing second and the raily was at an end.

But the teams did not remain long on an even basis, for Kaefer went up in the eighth and poled a long one which lost itself in the tall verdure of left field and Kaefer made the circuit. There was nobody on at this time but Good eventually scored, giving Murray a lead of two runs, which Coden failed to overcome, although it threatened after two men were down in the ninth.

Freine did not hurd his usual pace and in addition was given rather loose support. Davis, at third, making four mistakes. Frank, Kutina, Gimtin's left fielders, and the best sticker on the Ogden team, was beaned in the first time up and was unable to conthine in the game. Clark, back again in an Ogden uniform, was given a hearty welcome by the fans. Two questionable decisions by Umpire Spencer made the going more difficult than it should have been for Ogden. The official practically admitted one mistake but said that the absence of marked

The game was replete with good plays and bad plays, the Budwelsers erring ten times and the clerks seven. Jones, on the slab for the clerks, dld not plitch his usual good game, being wild and lacking steam, but at that he cut his opponents down with six scattered hits and struck out thirteen men. Sebastian, the University catcher, also had an off day, allowing three heaves to get by him that figured materially in the run getting by the Budwelsers.

allowing three heaves to get by him that figured materially in the run getting by the Budweisers.

The clerks connected safely with Linear's offerings sixteen times. In the seventh period Linen was replaced by Hans, a southpaw, who gave the clerks only two hits for the remaining two sessions. From the way Hans worked it looked as if the Budweisers should have started with him on the moind. Linea struck out four and Hans two.

The clerks took the lead by scoring thrice in the first spasm and were never headed. They counted once in the third and fourth each. Then came the deluge.
